

State and Territorial CELCP Plans

Only coastal states and territories with Coastal Zone Management Programs or National Estuarine Research Reserves approved under the CZMA *and* that have submitted a CELCP plan to NOAA on or before August 30, 2013 are eligible to participate in the FY 2014 CELCP competition. For a copy of your state or territorial CELCP plan, please visit the URL provided or contact the identified CELCP lead. Contact information for CELCP leads, as well as state/territorial CELCP websites can be found at: http://coastalmanagement.noaa.gov/land/celcp_inyourstate.html.
